

# NCE3

## *Electrical contact cleaner*

### PRESENTATION

**NCE3** is a electrical contact cleaner that has 3 main functions:

- ✓ Cleans.
- ✓ Deoxidises.
- ✓ Protects.

### PROPERTIES

**NCE3** is particularly efficient for the cleaning of electric equipment.

**NCE3** deoxidises and eliminates electrical contact sulphation.

**NCE3** restores di-electric constants and eliminates bad contacts.

**NCE3** repels water.

**NCE3** dissolves and eliminates greases, oils, deposits and dust.

**NCE3** dries very fast and leaves surfaces dry and clean.

### TECHNICAL DATA

|                      |            |         |
|----------------------|------------|---------|
| Di-electric rigidity | ASTM D 977 | 25000 V |
|----------------------|------------|---------|

### AVAILABILITY

Cases of 12 aerosols x 500 ml (reference 1892)
