Racing chain lube

REF. 2810
12X400ML
3266720028107

PROPERTIES

BARDAHL Racing Chain Lube is a wet lubricant specially developed for competition motorcycles and karts.

- Excellent lubrication for standard and O-ring chains,
- Outstanding resistance to heat and extreme loads,
- Reduces wear on sprockets and chains,
- Protects against moisture and prevents corrosion,
- Decreases friction.

INSTRUCTIONS FOR USE

Clean the chain, shake, and spray. Do not overload the chain.

Wipe off the excess.

For optimal effectiveness, apply before use.
